You Babe

Robert Tillman

Sometimes this ol' world's a drag, it really puts me down
I try so hard but nothin' comes around
Then I look up to find that I've no reason to be blue
I've already found the whole wide world with you
And if there's nothin' else I do
To spend my whole life through
Lovin' you, babe, you babe
I'll always be in command
Just as long as I'm the man
Lovin' you, babe, you babe
And I can stand real tall
Stand up to it all lovin' you, baby, just you
One time this old rocky road block was just too tough

I felt like sayin', "Lord, I've had enough?
Then I heard something special that a deaf man couldn't miss
I heard it in the whisper of your kiss
And if there's nothin' else I do
To spend my whole life through
Lovin' you babe, you babe
I'll always be in command
Just as long as I'm the man
Lovin' you babe, you babe
And I can stand real tall
Stand up to it all lovin' you, baby, just you
Lovin' you babe, you babe
