So Tired

Savoy Brown

Simmonds-Chrysalis Music Ltd.
Travelin' on the road,each and every day
In each hotel I stay, got a suitcase for a home
Guitar in my hand, travelin' with the band
Flyin' everyday, travelin' across the landSo tired, so tiredGot you on my mind, everytime I go away
In each hotel I stay, It's getting harder everytime
Suitcase in my hand, killing one night stands
Travelin' across the landSo tired, so tiredTravelin' on the road,each and every day
In each hotel I stay, got a suitcase for a home
Got a suitcase in my hand, killing one night stands
Flyin' everyday,travelin' across the landSo tired, so tired, so tired, so tired
