Some say this nigga cursed, the way she got me locked down, it feel like I'm trapped and I'm tryin' get out now. From the beginnin' shit was cool, check it, nigga was hungry and this bitch was food, and I wanted to eat til a dog got full, cause I knew how I felt from the day that I met you. From the beginning you had my mind, goin', lookin' forward to seein' you every time, knowin', didn't see shit cause love was blind. Fuck it that liquor is what gets you blind... real talk Ayo dawg listen I love that bitch
