

# Addicted

Ne-Yo

Let me talk to 'em  
I guess you know you made it  
When they started talking 'bout you, right?  
Welcome to fame  
Y'all don't pay me, no mind  
I just gotta get some stuff off my chest, listen  
Young, energetic, famous but don't really sweat it  
Rich enough, fairly hot, so basically sex is not difficult to get  
That ain't my fault, no, no, listen  
And just 'cuz I might take advantage once or twice  
People tell me I'm not right, thinking that sex was my life  
But that just ain't me so let me clear it up  
For those who have obviously misread the code, listen to me now  
No, I am not  
I'm not addicted to sex  
But girl I guarantee that if you lay with me  
You just might be  
No, I am not  
I'm not addicted to sex  
But girl I guarantee that if you lay with me  
You just might be  
I wanna apologize  
For bein' just a little freaky  
I can't help it, it's just in me  
But a problem it is not  
I'm just fine y'all don't worry 'bout me, listen  
And I wanna apologize  
For bein' blessed with the ability to satisfy accurately  
And quickly find the spot  
Said it's a gift and a curse  
Don't mess around find my number in your girlfriend's purse  
No, I am not  
I'm not addicted to sex  
But girl I guarantee that if you lay with me  
You just might be  
No, I am not  
I'm not addicted to sex  
But girl I guarantee that if you lay with me  
You just might be  
I never been shy 'bout my self and sexuality  
Never been taboo, yeah  
I know it's something I could do  
But I just really don't want to  
No, I am not  
I'm not addicted to sex  
But girl I guarantee that if you lay with me  
You just might be  
No, I am not  
I'm not addicted to sex  
But girl I guarantee that if you lay with me

You just might be
