

# My Worship

John P. Kee

Mmmm

Living without You is no option I'd ever take  
Knowing You love me and sacrifice for my sake  
You hung on Calvary's trees, Calvary  
It was then Your blood cleansed me, me

Chorus:

You are my worship  
You are my praise  
With my whole heart, I will Bless Your name  
No one compares, no one by far  
You are my worship  
That's who You are to me, ohh to me, ohh to me

The years that I spent without You  
Are the times that I truly regret  
Sins washed away, there is no guilt, no there's no more debt  
Lord, You paid the price  
With joy I testify

Chorus:

You are my worship  
You are my praise  
With my whole heart, I will Bless Your name  
No one compares, no one by far  
You are my worship  
That's who You are to me, ohh to me, ohh to me

Your love is greater than anything I know  
Wishing Your reverence the whole?  
My hands are raised, strength renewed, spirit and truth

Chorus:

You are my worship  
You are my praise  
With my whole heart, I'll Bless Your name  
No one compares, no one by far  
You are my worship

That's who You are

Chorus:

You are my worship (my worship)

You are my praise (my praise)

With my whole heart (oooo), I'll Bless Your name

No one compares (compares), no one by far (by far)

You are my worship (oooo)

That's who You are

You are my worship (my worship)

You are my praise (my praise)

I will exalt you (oooo), I'll Bless Your name

No one compares (compares), no one by far (by far)

You are my worship (oooo)

That's who You are

You are my worship

You are my praise

I shall forever bless Your name

No material things, no house, no car

You are the greatest gift You are to me

Oooo, Oh thank you Jesus, to meeee

Ooooo, to meee
