

Broken Hallelujah

The Afters

I can barely stand right now.
Everything is crashing down,
And I wonder where You are.

I try to find the words to pray.
I don't always know what to say,
But You're the one that can hear my heart.

Even though I don't know what your plan is,
I know You're making beauty from these ashes.

I've seen joy and I've seen pain.
On my knees, I call Your name.
Here's my broken hallelujah.

With nothing left to hold onto,
I raise these empty hands to You.
Here's my broken hallelujah.

You know the things that have brought me here.
You know the story of every tear.
â€˜Cause You've been here from the very start.

Even though I don't know what your plan is,
I know You're making beauty from these ashes.

I've seen joy and I've seen pain.
On my knees, I call Your name.
Here's my broken hallelujah.

With nothing left to hold onto,
I raise these empty hands to You.
Here's my broken hallelujah.

When all is taken away, don't let my heart be changed.
Let me always sing Hallelujah
When I feel afraid, don't let my hope be erased
Let me always sing Hallelujah.
Let me always sing Hallelujah.

I will always sing
I will always sing
Here's my broken hallelujah.
