Wanna Be With Me?

Da Buzz

Want to be with me
Want to be with me
(Wanna be with me)Night falls, everybody change their attitude
And they start to run, they wanna be the first in line again
Ooo, oh
I go, stepping on the gas to a fortune
I don't know if I win but Saturday is bringing the magic inWanna be with me
Let me show you that I love you, oh yeah
Wanna be with me
You'll be stronger, I will hold you
If you wanna be with meWanna be with meTurned here, listen to a voice that I don't know
Then we start to dance, feel his body movin' closer now
Oh yeah
And I feel, take a step around I feel so good
I don't know if I win, but Saturday is bringing the magic inWanna be with me
Let me show you that I love you, oh yeah
Wanna be with me
You'll be stronger, I will hold you
If you wanna be with meWant to be with me
Want to be with meOne is for the music
Two is for the moves you're making
Three is for emotions
Do you, do you love me?Wanna be with me
Let me show you that I love you, oh yeah
Wanna be with me
You'll be stronger, I will hold you
If you wanna be with meLet me show you that I love you, oh yeah
Wanna be with me
You'll be stronger, I will hold you
If you wanna be with me
If you wanna be with me
