

Burn It to the Ground

Advisory - the following lyrics contain explicit language:

Well, it's midnight, damn right, we're wound up too tight
I've got a fist full of whiskey, the bottle just bit me
Oh, that shit makes me bat-shit crazy
We've got no fear, no doubt, all-in, balls out We're going off tonight to kick out every light
Take anything we want, drink everything in sight
We're going 'til the world stops turning
While we burn it to the ground tonight We're screaming like demons, swinging from the ceiling
I got a fist full of fifties, tequila just hit me
Oh, we got no class, no taste, no shirt, shit faced
We got 'em lined up, shot down, firing back straight crown We're going off tonight to kick out every light
Take anything we want, drink everything in sight
We're going 'til the world stops turning
While we burn it to the ground tonight Ticking like a time bomb, drinking 'til the night's gone
Get you hands off this glass, last call, my ass
Well, no chain, no lock, and this train won't stop
We got no friend, no doubt, all-in, balls out We're going off tonight to kick out every light
Take anything we want, drink everything in sight
We're going 'til the world stops turning
While we burn it to the ground tonight We're going off tonight to kick out every light
Take anything we want, drink everything in sight
We're going 'til the world stops turning
While we burn it to the ground tonight
