

# A Kiss for Christmas

Luther Vandross

Oh, yeah, don't think about it, don't think about it  
Yeah, don't think about it, don't think about it Honey, it's cold outside  
Pour another glass of wine, light up the fireplace  
The holiday starts right now  
Make yourself slow down, put on a happy face I don't want you to buy me nothin', it's alright  
Love's the only thing on my list  
All I want is a kiss for Christmas  
Honey, won't you give me a kiss for Christmas? Darlin' Early on Christmas day  
Everyone looks for love under the Christmas tree  
And though you might think it's strange  
I wanna tell you, my love, don't buy a thing for me I don't want you to get me nothin', it's alright  
'Cause if I could just get my wish  
All I want is a kiss for Christmas  
Honey, won't you give me a kiss for Christmas? Darlin' A kiss for Christmas is all that I want yeah  
A kiss for Christmas, don't make me wait for love  
This Christmas all that I want is  
A kiss for Christmas, don't make me wait, love Don't make me wait, baby, Merry Christmas, yeah  
Come on, yeah, don't think about it, don't think about it All I want is a kiss for Christmas  
Honey, won't you give me a kiss for Christmas? Darlin'  
All I want is a kiss for Christmas Honey, won't you give me a kiss for Christmas? Darlin'  
All I want is a kiss for Christmas  
Honey, won't you give me a kiss for Christmas?
