Close To You

Rick Astley

Why do birds suddenly appear every time you are near?
Just like me they long to be close to you
Why do stars fall down from the sky every time you walk by?
Just like me they long to be close to you
On the day that you were born
The angels got together and decided to create a dream come true
So they sprinkled moon dust in your hair
Of gold and starlight in your eyes of blue
That is why all the boys in town follow you all around
Just like me they long to be close to you
Just like me they long to be close to you
