

Sun Sea and Piracy

Bow Wow Wow

Baby yum yum drives me dum-dum
I just love it on my tum-tum
On my back and on my bum-bum
I'm 'a lie low in the sun-sun!
Sat in a pool in the summer sea sand
The blooming out magnolia
Kiss me in my nether region
Ooh-ee it's my science fiction
Chorus:
It's my black box, I call it "Fido"
Carry my black pet and well I don't
Feed them cassettes, I'm a lie low
Sun and sea and piracy
Fee fi fo fee-fo Fido
Fee fi fo fee-fo Fido
Baby yum yum drives me dum-dum
I just love it on my tum-tum
On my back and on my bum-bum
I'm 'a lie low in the sun-sun!
My black pet is a heavy attraction
I want a love with C30 action
To flood on airwaves like a love cruise
Hard to pick which one I'll choose
Chorus:
It's my black box, I call it "Fido"
Carry my black pet and well I don't
Feed them cassettes, I'm a lie low
Sun and sea and piracy
Fee fi fo fee-fo Fido
Fee fi fo fee-fo Fido
Sun and sea and piracy
(Fee fi fo fee-fo Fido)
Sun and sea and piracy
(Fee fi fo fee-fo Fido)
Fee fi fo fee-fo Fido
I'm 'a low lee low lee low lie low
A powerful voice and maximum bom-bomb!
A swimming shark found my lie low sun
People run off - bleedin' fa**ot
That cassette pet's makin' me haggard
I'm a conservative, I've got the affirmative -FIDO!
Chorus:
It's my black box, I call it "Fido"
Carry my black pet and well I don't
Feed them cassettes, I'm a lie low
Sun and sea and piracy

Fee fi fo fee-fo Fido
Fee fi fo fee-fo Fido Fido finally's not barkin' at all
Fido's lying at the bottom of the pool
Fido's tones begins to groan
Baby yum-yum tummy mum-mum
I rescue him on my tum-tum
Now he's roastin' in the sun-sun
On my back and on my bum-bum
It's blooming out magnolia
Chorus:
It's my black box, I call it "Fido"
Carry my black pet and well I don't
Feed them cassettes, I'm a lie low
Sun and sea and piracy
Fee fi fo fee-fo Fido
Fee fi fo fee-fo Fido
Go, go go go go, Fido
Go, go go go go, Fido!
