

Sorry

Kaskade

Moving fast or standing still
The distance seems so much to fill
I wanna say I'm sorry
My love, I was wrong
I wanna say I'm sorry
My love, I'll be strong
I wanna say I'm sorry
My love, take my hand
I wanna say I'm sorry
Don't worry, understand
In my mind the image I see
Keep it close, always reminding me
I wanna say, I wanna say
My love, I was wrong
I wanna say I'm sorry
My love, I'll be strong
I wanna say I'm sorry
My love, take my hand
I wanna say I'm sorry
Don't worry, understand
I wanna say I'm sorry
My love, I was wrong
I wanna say I'm sorry
My love, I'll be strong
I wanna say I'm sorry
My love, take my hand
I wanna say I'm sorry
Don't worry, understand
I wanna say I'm sorry
