

# When All Our Friends Are Dead

Dan Smith

When all our friends are dead and gone  
And it's just us under the sun  
When all our friends are in the ground  
The world is ours to roam around I'll be the Adam to your Eve  
And we'll fall too, but not hunger  
Hunt and gather as we please  
Through deserted supermarkets 'Cause you and I  
We never die  
Ohh  
And you and I  
We lose our minds  
Ohh When all our friends are dead and gone  
And it's just us under the sun  
I hope our conversation lasts  
And I'm still able to make you laugh Lose a bit on a Friday night  
It is all ours, for the taking  
How do you want to live your life?  
It's all ours, for the making 'Cause you and I  
We never die  
Ohh  
And you and I  
We lose our minds  
Ohh And you and I  
We never die  
Ohh  
And you and I  
We lose our minds  
Ohh We will walk through the empty streets  
And our phone books will be a graveyard  
We will walk through the empty streets  
And our phone books will be a graveyard We will walk through the empty streets  
And our phone books will be a graveyard  
We will walk through the empty streets  
And our phone books will be a graveyard 'Cause you and I  
We never die  
Ohh  
And you and I  
We lose our minds  
Ohh And you and I

We never die  
Ohh  
And you and I  
We lose our minds  
Ohh
