

You Are Everything

[Vanessa Williams](#)

You are, you are, everything, everything, oh
You are, you are, everything, everything, oh
You are, you are, everything, everything
Everything is you Today I saw somebody who looked just like you
He walked like you do, I thought it was you
As he turned the corner, I called out your name
I felt so ashamed when it wasn't you, wasn't you You are everything and everything is you
Oh, you are everything and everything is you
Oh, you are everything and everything is you
Everything is you How can I forget when each face that I see
Brings back memories of being with you
I just can't go on living life as I do
Comparing each man with you
Knowing they just won't do, they're not you Oh, you are everything and everything is you
Oh, you are everything and everything is you
Oh, you are everything and everything is you
Everything is you You are, you are, everything, everything, oh
You are, you are, everything, everything, oh
You are, you are, everything, everything
Everything is you You are everything and everything is you
Oh, you are everything and everything is you
Oh, you are everything and everything is you
Everything is you You are, you are, everything, everything, oh
You are, you are, everything, everything, oh
You are, you are, everything, everything
Everything is you
