Save Me

Hinder

If you ain't got no wings
And if you ain't the king
And you can't make it rain
Hell no, you can't feel my pain
If you ain't got no chains
If you ain't got a cage
And you can't calm the rage
You ain't changin' anything
Chorus:
Already made the news
Slipped out of every noose
I've cut my demons loose
Get out of my face, I don't need you to save me
Raged on fumes
There's nothing left to use
My middle name's abuse
Get out of my face, I don't need you to save me
I you can't part the sea
And you can't pardon me
If you don't like what you see
You don't know how to save my soul
Cause I've been in the trenches
Fighting off the devil's wenches
I've had all the scars and stitches
To make you see, make you see

Get the fuck away from me
Chorus:
Already made the news
Slipped out of every noose
I've cut my demons loose
Get out of my face, I don't need you to save me
Raged on fumes
There's nothing left to use
My middle name's abuse
Get out of my face, I don't need you to save me
If you take a look in my eyes, you'll see in my eyes
A whole world full of hurt, addiction, and lies
I've been through it before, but somehow I survived

Now I'm flirting with death, but never been more alive
Chorus:
Already made the news
Slipped out of every noose
I've cut my demons loose
Get out of my face, I don't need you to save me
Raged on fumes
There's nothing left to use
My middle name's abuse
Get out of my face, I don't need you to save me
Get out of my face
I don't need you to save me
