English

-
Youâ€™re the first girl who has made me look this nervously excited
I only think of your white face every single day
My heart worries all day, when to tell you
â€œI love you, I want you to be my girlfriendâ€•

Even the smallest hello
And your smile, I guess itâ€™s torture for me now

If you feel the same way too
Please tell me so you can know my heart

I tell it to hold it in, I tell it to wait
But my heart wonâ€™t listen
My heart only beats for you without stopping
Telling me Iâ€™m ready to go

Come to me now
Because Iâ€™m getting crier for you
Like Oh! (All night long)
Oh! (Got me up)
Oh! (Got me gone)
Oh! (Wonâ€™t you be my girl?)
Babe I donâ€™t think I can go on without you
Please donâ€™t pretend you donâ€™t know
Me, Oh! (All night long)
Oh! (Got me up)
Oh! (Got me gone)
Oh! (Wonâ€™t you be my girl?)

The scent from when you passed by me
Your voice that repeats inside my head
The face you make when youâ€™re shy
Theyâ€™re holding onto me and not letting me go

I try to hold it in, I try to wait
But my heart wonâ€™t listen
My everything only looks at you and shouts without stopping
telling me Iâ€™m ready to go

Come to me now
Because Iâ€™m getting crier for you
Like Oh! (All night long)
Oh! (Got me up)
Oh! (Got me gone)
Oh! (Wonâ€™t you be my girl?)
Babe I donâ€™t think I can go on without you
Please donâ€™t pretend you donâ€™t know
Me, Oh! (All night long)
Oh! (Got me up)
Oh! (Got me gone)
Oh! (Wonâ€™t you be my girl?)

Donâ€™t try to hide it
Cuz your heart speaks loud

Even if you donâ€™t say it
I can hear it
No words can change my heart
When Iâ€™m right here with you

Come to me now
Because Iâ€™m getting crier for you
Like Oh! (All night long)
Oh! (Got me up)
Oh! (Got me gone)
Oh! (Wonâ€™t you be my girl?)
Babe I donâ€™t think I can go on without you
Please donâ€™t pretend you donâ€™t know
Me, Oh! (All night long)
Oh! (Got me up)
Oh! (Got me gone)
Oh! (Wonâ€™t you be my girl?)
