We'll Always Hang Together

Beta Theta Pi

Come Betas let us sing a song
and vanish care forever!
Far from a mystic festive throng which lodds on earth can sever

(Chorus)
For we belong to beta theta pi
For we belong to beta theta pi!
For we belong to Beta Theta Pi!!
And we'll always hang together

So brothers fill our beaker up
and pledge to Wooglin's glory
and when he streak has drained his cup
We'll have a rousing story!

(Chorus)
For we belong to beta theta pi
For we belong to beta theta pi!
For we belong to Beta Theta Pi!!
And we'll always hang together
