

# I Turn to Christ (feat. Matt Redman)

## Passion

I'll live for the highest Name  
I'll live for what matters most  
Let the glory of who You are burn in my soul  
I'll carry the highest Name  
I'll treasure what matters most  
Let the glory of who You are burn in my soul

And I turn, I turn to Christ alone  
I surrender all, I surrender and I live, I live for You alone  
All my heart and soul I surrender  
Whatever may come my way  
Whatever tomorrow holds  
Let the glory of who You are stay in my soul

I turn to Christ  
I give my heart  
I give my life  
I turn to Christ  
I'm living for something so much greater
