

# You Can Have It All

## Ginger Ninja

I'll tell you what it's going to be like  
I saw you on the bus and that was that  
There's more to this than passing by  
There's more to this than meets the eye I'll tell you what it's going to be like  
I saw you on the bus, I saw your shoes  
They fell apart some time ago  
Am I so boring, fine It's not my fault, I don't care  
I don't regret a single thing  
It's not my fault, I don't care  
I don't regret a single thing I'll tell you what it's going to feel like  
You lost a limb and you can feel it  
If you leave at night, not by my side  
'Cause I'm not there to hold you too tight Leave, I'll tell you what it's going to be like  
No you can never hold my hand  
If only they can know or understand  
That you and me are now together It's not my fault, I don't care  
I don't regret a single thing  
It's not my fault, I don't care  
I don't regret a single thing Oh oh, you can have it all, if that's alright  
Oh, I will give it all to you 'cause you never lied before  
And you can have it all, if that's alright  
And you can have it all, if it's alright, oh oh It's not my fault, I don't care  
I don't regret a single thing  
It's not my fault, I don't care  
I don't regret a single thing Oh oh, you can have it all, if that's alright  
And I will give it all to you 'cause you never lied before  
And you can have it all, if that's alright  
Oh, I will give it all to you 'cause you never lied before And you can have it all, if that's alright  
And I will give it all to you 'cause you never lied before  
And you can have it all, if that's alright  
I know that you can have it all, if it's alright
