

Utopia

Backbones

We'd gather around

 All in a room

 Fasten our belts

 Engage in dialog

We'd all slow down

 Rest without guilt

 Not lie without fear

 Disagree sans judgment

We would stay and respond and expand and include

And allow and forgive and enjoy and evolve and discern

 And inquire and accept and admit

 And divulge and open and reach out and speak up

 This is utopia

 This is my utopia

 This is my ideal

 My end in sight

 Utopia

 This is my utopia

 This is my nirvana

 My ultimate

We'd open our arms

 We'd all jump in

 We'd all coast down

 Into safety nets

We would share and listen and support and welcome

 Be propelled by passion, not invest in outcomes

We would breathe and be charmed and amused by difference

 Be gentle and make room for every emotion

 This is utopia

 This is my utopia

 This is my ideal

 My end in sight

 Utopia

 This is my utopia

 This is my nirvana

 My ultimate

We'd provide forums

 We'd all speak out

 We'd all be heard

We'd all feel seen
We'd rise post-obstacle, more defined, more grateful
 We would heal, be humbled, and be unstoppable
We'd hold close and let go and know when to do which
 We'd release and disarm and stand up and feel safe

 This is utopia
 This is my utopia
 This is my ideal
 My end in sight
 Utopia
 This is my utopia
 This is my nirvana
 My ultimate
