

# Wheels

Joe Therrien, Jr

We've all got wheels to take ourselves away  
We've got telephones to say what we can't say  
    We all got higher and higher every day  
    So come on wheels, take this boy away  
        We're not afraid to ride  
        We're not afraid to die  
    So come on wheels, take this boy away  
    Come on wheels, take this boy today  
    When I feel that my time is almost up  
        And destiny is in my right hand  
I'll turn to him who makes my faith so strong  
    Come on wheels, make this boy a man  
        We're not afraid to ride  
        We're not afraid to die  
    So come on wheels, take this boy away  
    Come on wheels, take this boy today  
    Come on wheels, take this boy today
