Go Ahead

Alicia Keys

Broken promises, my heart you stole, lies you told
Got the best of me, digging in my heart of gold
Used to look at you and see the possibilities
I see you for who you are, boy youve disappointed meI thought you gave me love but never near enough
Soon enough time reveals the weight of what is real
I know all I need to know, boy, see you gotta go
What have you given me but lies, liesSaid go ahead, go on and get up on outta here
Go ahead baby
You knew you was wrong
You knew all along must be crazyIf you think I'ma fall for this anymore
Everybody say na, na, na, na
Everybody say na, na, na, naUsed to believe in every word you said clouds my head
Leaving me here to drown, hopes and dreams left for dead
You point your finger trying to justify your mistakes
A change is gon' be made so you best be on your wayI thought you gave me love but never near enough
Soon enough time reveals the weight of what is real
I know all I need to know boy see you gotta go
What have you given me but lies, liesGo ahead, go on and get up on outta here
Go ahead baby
You knew you was wrong
You knew all along, must be crazyIf you think I'ma fall for this anymore
Everybody say na, na, na, na
Everybody say na, na, na, naNo need to apologize, dont try to make it right
I know I shoulda known better
When you took hold I was sold
Using fear to control now it unfoldsLet me tell you right now what Im gonna do
Made up my mind, this time and Im really through with you
Nothing you can say or can do
Can make me change my mindSo just go ahead, go on and get up on outta here
Go ahead baby
You knew you was wrong
You knew all along must be crazyIf you think I'ma fall for this anymore
Everybody say na, na, na, na
Everybody say na, na, na, na
Na, na, na, na
