

# About a Girl (Acoustic Version) [Bonus Track]

## The Academy Is...

One song about a girl, can't breathe when I'm around her

I wait here everyday in case she scratch the surface

She'll never noticeI'm not in love, this is not my heart

I'm not gonna waste these words about a girlLast night I knew what to say but you weren't there to hear it  
These lines so well rehearsed, tongue-tied and overloaded

You never noticeI'm not in love, this is not my heart

I'm not gonna waste these words about a girlI'm not in love, this is not your song

I'm not gonna waste these words about a girlTo be loved, to be loved, what more could you ask for?  
To be loved, to be loved, everyone wants

To be loved, to be loved, what more could you ask for?

To be loved, to be loved, everyoneI'm not in love, this is not my heart

I'm not gonna waste these wordsI'm not in love, this is not my heart

I'm not gonna waste these words about a girlI'm not in love

(To be loved, to be loved, what more could you ask for?)

This is not your song

(To be loved, to be loved, everyone wants)

I'm not gonna waste these words about a girl

(To be loved, to be loved)
