Having So Much Fun

Tiga

I never used to cry 'cause I was all alone
For me myself and I is all I've ever known
I've never felt the need to have a hand to hold
And everything I do I take complete control
That's where I'm coming from
My lucky number's one
I've everything I need to keep me satisfied
There's nothing you can do to make me change my mind
I'm having so much
My lucky number's oneI now detect an alien vibration here
There's something in the air besides the atmosphere
The object of the action is becoming clear
An imminent attack upon my heart I fear
The evidence is strong
My lucky number's wrongYou certainly do have a strange effect on me
I never thought that I could feel the way I feel
There's something in your eyes that gives me a wild idea
I never want to be apart from you my dear
I guess it must be true
My lucky number's twoThis rearrangement suits me now I must confess
If number one is down number two is best
I want to stay with you
My lucky number's two
