Summer Song

Wavorly

Spread the blanket on top, and I'll turn off the lights
And we'll gaze at the stars
With you by my side, the moon set to the right
It's incomparable so far

I haven't stopped falling in love
Haven't stopped falling

Two years ago, I had no idea that you were so perfect
And as we wait so long, until we join hands
You make the wait worth it

I haven't stopped falling in love
Haven't stopped falling

Now years down the road, still hasn't got old
I sit and laugh the day away
There's one thing you should know
My love for you grows, even more every day

I haven't stopped falling in love
Haven't stopped falling in love
Haven't stopped falling in love

And the day I finally can take you home
There's no way I'm ever, ever letting go
We'll be okay, though miles may separate
There's no space between our hearts
And this day, I choose to keep loving you
As if it were a choice, I keep falling

I haven't stop falling in love
Haven't stopped falling in love
Haven't stopped falling in love
Haven't stopped falling in love
Haven't stopped falling

Spread the blanket on top, and I'll turn off the lights
