Carnivore (Demo)

Carnivore

Drool dripping out my tongue
Hanging south saliva flowing free
My eyes full of lust my balls
Gonna bust give yourself to me
Thirst I can't quench come here you wench
There's something that I needCarnivore
I'm a meat eater
Carnivore
I'd like to meet ya
Carnivore
I know I'll reach yaThe hunger I feel makes you a meal
Oh girl you sure taste sweet
By my hair pull me there guide me to your treat
Spread your legs I'll seed your eggs oh, feel me deepLick me she begged she pulled
Down my head I love to eat pussy
A taste so fine like sweet April wine
I won't trade for any money
Did you cum I eat and run I live for sodomy
