You're Not Alone

The Mowgli's

You're not alone. No! Oh! Oh!
If you know how you wanna live why don't you live it?
If you know what you got to give you got to give it.
One breathe deeper than the last one
One step closer to the ones we love
You've been searching for the sun so long
I mean it when I sayYou're not alone
Even when you feel so far from home
Everybody's here
You're not alone
Screaming in the mirror sayingI've been broke,
Out of love
But I know
We're not alone.
You're not alone. No! Oh! Oh!If you know what you wanna say why don't you say it?
It don't matter what's in your hand you gotta play it
One voice calling for the next one
We stand closer to the ones we love
You've been searching for the sun
I mean it when I sayYou're not alone
Even when you feel so far from home
Everybody's here
You're not alone
Screaming in the mirror sayingI've been broke,
Out of love
But I know
We're not alone.
You're not alone. No! Oh! Oh!
We're not alone!
You're not alone. No! Oh! Oh!One breathe deeper than the last one
One step closer to the ones we love
You've been searching for the sun so long
I mean it when I sayYou're not alone
Even when you feel so far from home
Everybody's here
You're not alone
Screaming in the mirror sayingI've been broke
Out of love
Maybe I drink too muchCross my-

Got no luck
But I won't give up!We're not alone!
You're not alone!
We're not alone!
