

# A River Flows

## The Collegeville Composers Group

(Chorus: Tony Alonso and Catherine Christmas)

A river flows through the city of God,  
bringing joy where the Most High dwells  
A river flows through the city of God,  
bringing joy where the Most High dwells

(Chorus: All)

A river flows through the city of God,  
bringing joy where the Most High dwells  
A river flows through the city of God,  
bringing joy where the Most High dwells

(Verse 1: Cyprian Consiglio, John Angotti, Otentikk Street Brothers and Paul Inwood)

God is for us a refuge and strength, a helper close at hand,  
in time of distress,  
so we shall not fear though the earth should rock,  
though the mountains fall into the depths of the sea

(Chorus: All)

A river flows through the city of God,  
bringing joy where the Most High dwells  
A river flows through the city of God,  
bringing joy where the Most High dwells

(Verse 2: Cyprian Consiglio,  
John Angotti, Tony Alonso and Paul Inwood)  
The waters of a river give joy to God's  
city, the holy place where the Most High dwells.  
God is within, it can not be shaken  
God will help it at the dawning of the day

(Chorus: All)

A river flows through the city of God,  
bringing joy where the Most High dwells  
A river flows through the city of God,

bringing joy where the Most High dwells

(Verse 3: Paul Inwood,  
Cyprian Consiglio, John Angotti and Paul F. Ford)  
"Be still and know that I am God,  
supreme among the nations, supreme on the earth!"  
The LORD of hosts is with us: the god of Jacob is our stronghold.

(Chorus: All)  
A river flows through the city of God,  
bringing joy where the Most High dwells  
A river flows through the city of God,  
bringing joy where the Most High dwells
