I could be wrong I could be right
could be wrongI could be wrong I could be right
I could be black I could be white
I could be right I could be wrong
I could be white I could be black
Your time has come your second skin
The cost so high the gain so low
Walk through the valley
The written word is a lieMay the road rise with you
May the road rise with you
May the road rise with you
May the road rise with youCould be wrong I could be right
Could be wrong I could be rightI could be wrong I could be right
I could be black I could be white
I could be right I could be wrong
I could be black I could be white
They put a hot wire to my head
'cause of the thing I did and said
And made these feelings go away
Model citizen in every wayMay the road rise with you
May the road rise with you
May the road rise with you
May the road rise with youAnger is an energy
Anger is an energy
Anger is an energy
Anger is an energyMay the road rise with you
May the road rise with you
May the road rise with you
May the road rise with youAnger is an energy
Anger is an energy
Anger is an energy
