This Is My Life

Shirley Bassey

Funny, how a lonely day
Can make a person say
What good is my lifeFunny, how a breaking heart
Can make me start to say
What good is my lifeFunny, how I often seem
To think I'll never find another dream
In my lifeTill I look around and see
This great big world is part of me
And my lifeThis is my life, today, tomorrow
Love will come and find me
But that's the way that I was born to be
This is me, this is meThis is my life and I don't
Give a damn for lost emotions
I've such a lot of love, I've got to give
Let me live, let me liveSometime when I feel afraid
I think of what a mess I've made
Of my lifeCrying over my mistakes
Forgetting all the breaks I've had
In my lifeI was put on earth to be
A part of this great world is me
And my lifeGuess I'll just add up the score
And count the things I'm grateful for
In my lifeThis is my life, today, tomorrow
Love will come and find me
But that's the way that I was born to be
This is me, this is meThis is my life and I don't
Give a damn for lost emotions
I've such a lot of love, I've got to give
Let me live, let me liveThis is my life
This is my life
This is my life
