

This Is My Life

[Shirley Bassey](#)

Funny, how a lonely day
Can make a person say
What good is my life Funny, how a breaking heart
Can make me start to say
What good is my life Funny, how I often seem
To think I'll never find another dream
In my life Till I look around and see
This great big world is part of me
And my life This is my life, today, tomorrow
Love will come and find me
But that's the way that I was born to be
This is me, this is me This is my life and I don't
Give a damn for lost emotions
I've such a lot of love, I've got to give
Let me live, let me live Sometime when I feel afraid
I think of what a mess I've made
Of my life Crying over my mistakes
Forgetting all the breaks I've had
In my life I was put on earth to be
A part of this great world is me
And my life Guess I'll just add up the score
And count the things I'm grateful for
In my life This is my life, today, tomorrow
Love will come and find me
But that's the way that I was born to be
This is me, this is me This is my life and I don't
Give a damn for lost emotions
I've such a lot of love, I've got to give
Let me live, let me live This is my life
This is my life
This is my life
