Dangerous Type

Letters to Cleo

Can I touch you, are you out of touch

I guess I'll never noticed that much

Geranium lover, I'm live on your wire

Come and take me whoever you are She's a lot like you

The dangerous type

She's a lot like you

Come on and hold me tightInside angel, always upset

Keeps on forgetting that we ever met

Can I bring you out in the light

My curiosity's got me tonightShe's a lot like you

The dangerous type

She's a lot like you

Come on and hold me tightThe museum directors with high shaking heads

They kick white shadows until they play dead

They want to crack your crossword smile

Can I take you out for a while, yeah, yeah yeah yeah She's a lot like you

The dangerous type

She's a lot like you

Come on and hold me tight tonightShe's a lot like you

The dangerous type

She's a lot like you

Come on and hold me tight tonightShe's a lot like you

The dangerous type

She's a lot like you

Come on and hold me tight tonightShe's a lot like you, she's a lot like you

Come on and hold me tight tonight

She's a lot like you

The dangerous type

She's a lot like you
