I didn't know

Heroin Addicts

I was alone thinking I was just fine
I wasn't looking for anyone to be mine
I thought love was just a fabrication
a train that wouldn't stop at my station
Home alone, that was my consignment
solitary confinement
so when we met I was scirtling around you
I didn't know I was looking for love
until I found you
I didn't know I was looking for love
until I found you
I didn't know I was looking for love
until I found you
I didn't know I was looking for love
I didn't know I was looking for love
Cause there you stood, and I would
Oh, I wonder, could I say how I felt
and not be misunderstood
A thousand stars came into my system
I never knew how much I missed them
Slap on the map of my heart you landed

I was coy but you made me canded
and now the planets circle around you
I didn't know I was looking for love
until I found you
I didn't know I was looking for love
until I found you
I didn't know I was looking for love
until I found you
I didn't know I was looking for love
I didn't know I was looking for love
So we built from here with love
the foundation
in a world of tears
one consulation
and now your here
there's a full brass band
playing in me like wonderland

And if you left I'd be 2 foot small
and every tear would be a waterfall
soundless, boundless I surround you
I didn't know I was looking for love
until I found you
