Pleasure Dome

Van Halen

Now I know none of this was planned
It all just kinda happened
I got more than I wanted
But how is still a mysteryObsessed with this feeling
I trusted it, so I followed it
I'm tripping and stumbling across the land
Full of miraclesInto a world so far from home
Miles and miles from nowhere
Rooms without doors open for me, oh, no
Taking me miles and miles from nowhere
Oh, miles and miles, oh, yeahLost in this pleasure dome
Lost in my own pleasure domeOh man, I ain't got a clue
How you get out, or how to find this place
I want my control back
But I'm afraid, I'll lose that feelingLost in a world so far from home
I'm miles and miles from nowhere
Falling inside my own pleasure dome
I'm miles and miles from nowhere
Oh, miles and miles, oh, yeahLost in this pleasure dome
Lost inside my pleasure domeLost in a world, can't find my way home
Miles and miles from nowhere
Falling inside my own pleasure dome
Miles and miles from nowhereMillions of miles, oh no, miles and miles
And miles from nowhere
Miles and miles and miles and miles, ohLost in this pleasure dome
Lost inside my pleasure dome, yeah
Lost, lost
