

# Bystander

Lauren O'Connell

Feel alone  
All I do is say  
I alone can be your kind This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
When I feel awake Close your eyes  
Everything I've seen  
I this time can be your mind This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
Then I feel awake Let God cry  
Then I'll wash it away  
Let God cry  
Then I'll wash it away Dry your eyes  
Everything must change  
I this time can be your life This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
Then I feel awake Let God cry  
Then I'll wash it away  
Let God cry  
Then I'll wash it away This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
I can feel it come back home  
So home Please  
Let  
My  
My son This is not the same  
I am not the same  
I can feel you come in two and three

This is not the same  
I am not the same  
Then I feel awake This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
This is not the same  
I am not the same Let God cry  
Then I'll wash it away  
Let God cry  
Then I'll wash it away This is not the same  
I am not the same  
I can feel you come in two and three  
This is not the same  
I am not the same  
I can feel it come back home  
So home
