Murder

Bad Religion

Even if you didn't know your world's a pile of shit
Listen to a riddle that'll tickle every bit of it
Ha ha ha
Ape shall not murder, ape wasn't so sure
Bad ape, you made a mistake
Annihilation in a cannibal war
Well, cultivation might have served you
Might have raised you up unscathed
If you had called that fucker by its name
Did you listen to the arbiter's beck and call?
Did you find what you were looking for
Or not at all? Not at all
Ape shall not murder, ape take the cure
Bad ape, you made a mistake
Annihilation in a cannibal war
Well, culture might have cured you
And raised you up unscathed
If you had called that fucker by its name
Say the name
Say the name
Say the name
