

# Katrina

## Marvelous 3

I was the kind of kid back in school  
Who wore a members only jacket, and said it was cool  
That's when I met katrina, she was best friends with seshel  
I thought she was the one, yeah I thought that she was special

I saw her in the hall about a quarter to three  
I said I'll take you in my nova, to the tasty freeze  
She said, I know all about you, more than I should

I know all about the dirty mags you keep in the woodsSo tell me how I'm supposed to sleep when I've been  
stalked by a lesbian

I can't sleep a wink, and I'm married to the ephedrine

How am I supposed to sleep when I've been stalked by a lesbian nowNow don't take it light, it might seem  
funny to you

Yesterday my science project, was covered in glue  
So I asked that guy seshel, I said was it something I said

He said quit being so fuckin' paranoid, it's all in your headThe way she's looking at me, I think she wants me to  
be,

The guy that always gets shot in every movie you see  
Oh god she's walking this way, oh god what should I say,

I hope and pray that she could ever be straightSo I was at a bar the other night and I looked across the room and  
there's this girl and she walks up to me and she's beautiful and she says 'hey, I'm Katrina, dude, remember  
me?' and I freaked I said 'oh my god I thought you looked familiar' about this time this 400 fucking pound  
woman walks up with Katrina's face tattooed on the side of her neck, she comes waddling and says 'don't fuck  
with my girl' I looked at jabba straight in the fucking eye and say 'don't worry every time I picture Katrina's  
face it's gonna be on the side of your gross, fat-assed, 3 chinned neck' she says 'are you stupid?' I say 'no I'm  
just sober!'So tell me how I'm supposed to sleep when I've been stalked by a lesbian

I can't sleep a wink, and I'm married to the ephedrine

How am I supposed to sleep when I've been stalked by a lesbian nowAnd she beat the shit out of me
