Breakfast In Bed

Shelby Lynne

You've been cryin', your face is a mess
Come in, baby, you can dry the tears on my dress
She's hurt you again, I can tell
Oh, I know that look so wellDon't be shy, you've been here before
Take your shoes off, lie down on me and I will lock the doorAnd no one has to know
You've come here again
Darling, it will be just like it's always been before
Come on over hereBreakfast in bed and a kiss or three
You don't have to say you love me
Breakfast in bed, nothing need be said
Ain't no needWhat's your hurry?
Please don't eat and run
You can let her wait, my darling
It's been so longSince I've had you here
You will come again
Darling, it will be just like it's always been before
Yeah babyBreakfast in bed and a kiss or three
You don't have to say you love me
Breakfast in bed, nothing need be said
Come onBreakfast in bed and a kiss or three
You don't have to say you love me, now, no no
Breakfast in bed, even, kiss or three
Oh, love me, oh
Breakfast in bed, breakfast in bed
