Dragonaut

[Judas Priest](#)

Welcome to my world of steel
Master of my domain
Cower as the pain's unsealed
Disasters where I'll reignFather of Sin
I'll drag you all in
Bow down as I petrifyFire in the sky
Paralyzed with fear
You know you're gonna die
Dragonaut is nearIcon to the fall of man
Worshipped like a king
Fearless as I now condemn
Every living thingFather of Sin
I'll drag you all in
Bow down as I petrifyFire in the sky
Paralyzed with fear
You know you're gonna die
Dragonaut is nearFather of Sin
I'll drag you all in
Bow down as I petrifyRelish the blaze
Left all in a daze
He came and consumed and let flyFire in the sky
Paralyzed with fear
You know you're gonna die
Dragonaut is nearFire in the sky
Paralyzed with fear
You know you're gonna die
Dragonaut is near
