

# Love Song

Canton Jones

Verse 1:

I made the heavens farther than the eye can see,  
placed the stars in the sky,  
made the moon shine brightly.

Woke you up with the sun  
shining through your window,  
sing you a serenade every time the wind blows.

See, the earth in all of its beauty,  
it all came from me,  
(and if you don't know),  
(now you know, know),  
(now you know, know).

Take the time to look above,  
and you'll know you can't sing about love...

Without singing about me,  
singing 'bout me?  
Without singing about me?  
Without singing about me?

Verse 2:

I made the clouds,  
even the air you breathe,  
made you in My image,  
so that you can be like Me.

My love is sweet,  
gonna make you happy,  
such joy and peace,  
wanna give You all of me.

It's the reason why you smile (reason why you smile, yeah),  
it make living all worthwhile (living all worthwhile, yeah),  
it will bring tears to your eyes,  
so how you gon' sing love....

Chorus:

Without singing about Me?

(Let Me, let Me),  
(love you, love you)  
(I just want to),  
(let me love you).

Singing 'bout me.  
(Let Me, let Me),  
(love you, love you)  
(I just want to),  
(let me love you).

Without singing about me?

(Let Me, let Me),  
(love you, love you);  
(I just want to),  
(let me love you).

Without singing about me?

(Let Me, let Me),  
(love you, love you);  
(I just want to),  
(let me love you).

Bridge:

How you gon' sing about love?  
How you gon' sing about love?  
How you gon' sing about love?  
how you gon' sing about love,  
without singing 'bout me?
