Check Your Head

Devour The Day

Are you satisfied with your life
have you made the most out of your time
you've forgotten how to survive
when the reaper comes calling
are you gonna burn or flycheck your head
before you wreck yourself
you're not dead yet but i can't tell
check your headare you terrified of your life
have you kept your best tied up inside
earn your worth and swallow your pride
when the reaper comes calling
are you gonna burn
are you gonna burn or flycheck your head
before you wreck yourself
you're not dead yet but i can't tell
check your headcheck your head
check your head
check your headcheck your head
before you wreck yourself
you're not dead yet but i can't tell
check your head
