Bad Obsession

Rafale

I can't stop thinkin', thinkin' 'bout sinkin'
Sinkin' down into my bed
I call my mother she's just a cunt now
She said I'm sick in the headShe said,"You ain't special, so who you foolin'?
Don't try to give me a line"
But I can't stop thinkin' 'bout seein' you one more time
But I already left you and you're better off left behindIt's a bad obsession
It's always messin'
It's always messin' my mind
It's a bad obsession
It's always messin'
It's always messin' my mindToo bad, you're fucked upI used to be wasted always tried to take it
Take it down into my vein
I call the doctor, he's just another
He said I'm sick in the brainHe said,"You ain't special so who you foolin'?
Don't try to give me a line"
But I can't stop thinkin' 'bout doin' it one more time
But I already left you and you're better off left behindIt's a bad obsession
It's always messin'
It's always messin' my mind
It's a bad obsession
It's always messin'
It's always messin' my mindSo bad BoyIts a
Its a
Heads upIt's a bad obsession
It's always messin'
It's always messin' my mind
Now it's a bad obsession
It's always messin'
It's always messin' my mindBut I can't stop thinkin' 'bout doin' it one more time
See I already left you and you're better off left behind
It's a bad obsession and you're always messin' my mind
See I already left you and you're better off left behindMaybe you'll do better next time punk
