

# From A Whisper To A Scream

[Esther Phillips](#)

From a whisper in the wind  
To a loud scream  
The message came  
That I'd lost you  
To the warmth of another man I've seen more tears fall from your eyes  
Than all the showers of April  
I took kindness for granted  
As if it came with the wallpaper So inconsiderate of how much you cared  
For some stupid reason, I just thought you had to be there  
Oh my love  
Oh my love  
Oh my love  
Oh my love I simply must have been crazy  
Or I must have been out of my mind  
For me to overlook the need in you  
Tell me, how could I have been so blind Never giving thoughts to your wants and needs  
Now I'm begging you please  
Oh my love  
Oh my love So inconsiderate of how much you cared  
For some stupid reason, I just thought you had to be there  
Oh my love  
Oh my love  
Oh my love
