Closer to Closure

Rizzi Myers

It's okay to not be okay,
Seems like broken hearts heal slowly,
And now lonely i learnt to love myself, (love myself),
One step, deep breath,
Even when the ground is shaking,
Got no regrets,
You messed up,
I had enough,
I've been thinking lately,
I don't need your love.
'Cause I'm getting closer to closure,
I'm getting closer to closure,
I'm getting closer, I'm getting closer, I'm getting closer to closure.
With each day I'm getting stronger,
I belong to you no longer,
You've got no power over me, (power over me),
One step, deep breath,
Even when the ground is shaking,
Got no regrets,
You messed up,
I had enough,
I've been thinking lately,
I don't need your love.
'Cause I'm getting closer to closure,
I'm getting closer to closure,
I'm getting closer, I'm getting closer, I'm getting closer to closure.
I ain't gonna take your shit no more,
I'm movin' on and I'm movin' up!
I ain't gonna take your shit no more,
I'm movin' on and I'm movin' up!
Movin' on and I'm movin' up,
Movin' on and I'm movin' up, (movin' up)
Movin' on and I'm movin' up,
Movin' on and I'm movin' up, (I'm movin' up)
Up, up, up, up, up, (movin' up)
Up, up, up, up, up, (movin' up)
Up, up, up, up, up, (I'm movin' up)
'Cause I'm getting closer to closure,
I'm getting closer to closure,

I'm getting closer, I'm getting closer, I'm getting closer to closure!
(Oh baby, baby)
