

Save Me (OST The Jane Austen Book Club)

Aimee Mann

You look like a perfect fit
For a girl in need of a tourniquet But can you - save me
Come on and - save me
If you could - save me
From the ranks of the freaks
Who suspect they could never love anyone 'Cause I can tell
You know what it's like
The long farewell
Of the hunger strike But can you save me
Come on and save me
If you could save me
From the ranks of the freaks
Who suspect they could never love anyone You struck me down like radium
Like Peter Pan or Superman You will come to save me
C'mon and save me
If you could save me
From the ranks of the freaks
Who suspect they could never love anyone
'Cept the freaks
Who suspect they could never love anyone
But the freaks
Who suspect they could never love anyone C'mon and save me
Why don't you save me
If you could save me
From the ranks of the freaks
Who suspect they could never love anyone Except the freaks
Who suspect they could never love anyone
Except the freaks who could never love anyone
