Johnny Grey

Eiffel 65

My Name Is Johnny Grey, It's Just A Name
And I Know That For You It's The Same The World I Know
Seems Not To Know Me Here's My Number I Need A Call
I'm Johnny Grey {Grey, Grey, Grey, Grey, Grey}
My Name Is Johnny Grey
It's Just A Name, For You It's The Same
The World I Know Seems Not To Know Me
Here's My Number, I Need A Call
Excuse Me It's Johnny Grey
Not Tommy Day, My Name's Johnny Grey
I Can't Remember My Phone Number
All The Calls I Get Are Mistakes
And I Holler And Make No Noise
As I Said Before
My Name Is Johnny Grey
{Spoken}
"My Name Is Johnny Grey, Wont You Play With Me"
{Sung}
My Name Is Johnny Grey
It's Just A Name, For You It's The Same
The World I Know Seems Not To Know Me
Here's My Number, I Need A Call
Excuse Me It's Johnny Grey
Not Tommy Day, My Name's Johnny Grey

I Can't Remember My Phone Number
All The Calls I Get Are Mistakes
And I Holler And Make No Noise
As I Said Before
My Name Is Johnny Grey
Johnny Grey
{Spoken}
"Excuse Me, Yeah My Name Is Johnny Grey
Yeah Of Course It's Just A Name, But For You It's The Same
You See The World I Live In, Doesn't Really Seem To Know Me
Here's My Number, Wont You Give Me A Call Please
My Name Is Johnny Grey"
{Sung}
My Name Is Johnny Grey

It's Just A Name, For You It's The Same
The World I Know Seems Not To Know Me
Here's My Number, I Need A Call
Excuse Me It's Johnny Grey
Not Tommy Day, My Name's Johnny Grey
I Can't Remember My Phone Number
All The Calls I Get Are Mistakes
And I Holler And Make No Noise
As I Said Before
My Name Is Johnny Grey
