

# Johnny Grey

## Eiffel 65

My Name Is Johnny Grey, It's Just A Name  
And I Know That For You It's The Same The World I Know  
Seems Not To Know Me Here's My Number I Need A Call  
I'm Johnny Grey {Grey, Grey, Grey, Grey, Grey}

My Name Is Johnny Grey  
It's Just A Name, For You It's The Same  
The World I Know Seems Not To Know Me  
Here's My Number, I Need A Call  
Excuse Me It's Johnny Grey  
Not Tommy Day, My Name's Johnny Grey  
I Can't Remember My Phone Number  
All The Calls I Get Are Mistakes  
And I Holler And Make No Noise  
As I Said Before

My Name Is Johnny Grey  
{Spoken}  
"My Name Is Johnny Grey, Wont You Play With Me"  
{Sung}

My Name Is Johnny Grey  
It's Just A Name, For You It's The Same  
The World I Know Seems Not To Know Me  
Here's My Number, I Need A Call  
Excuse Me It's Johnny Grey  
Not Tommy Day, My Name's Johnny Grey

I Can't Remember My Phone Number  
All The Calls I Get Are Mistakes  
And I Holler And Make No Noise  
As I Said Before

My Name Is Johnny Grey  
Johnny Grey  
{Spoken}

"Excuse Me, Yeah My Name Is Johnny Grey  
Yeah Of Course It's Just A Name, But For You It's The Same  
You See The World I Live In, Doesn't Really Seem To Know Me  
Here's My Number, Wont You Give Me A Call Please  
My Name Is Johnny Grey"  
{Sung}  
My Name Is Johnny Grey

It's Just A Name, For You It's The Same  
The World I Know Seems Not To Know Me  
Here's My Number, I Need A Call  
Excuse Me It's Johnny Grey  
Not Tommy Day, My Name's Johnny Grey  
I Can't Remember My Phone Number  
All The Calls I Get Are Mistakes  
And I Holler And Make No Noise  
As I Said Before  
My Name Is Johnny Grey
