

Killing Floor

Albert King

I should-a quit you, a long time ago
I should-a quit you, baby, a long time ago
I should-a quit you baby
An' went on to Mexico If I had-a followed, my first mind
If I had-a followed, my first mind
I would-a been gone, yeah
My second time, yeah I should-a went on
When my friend come from Mexico an' me
I should-a went on baby
When my friend come from Mexico an' me No foolin' 'round 'wit cha' darling
You got me on the killin' floor God knows
I should-a been gone
God knows
I should-a been gone No foolin' 'round wit' cha baby
I let you put me on the killin' floor
