

Lengsel

The 3rd and the Mortal

Jeg vil hvile ved en bredd
alt er stille, klart vann
Under flaten finnes fred
Vil du holde meg Vind
Om jeg søker dit nedI et stille klart vann
Ser jeg lengselen I min SjelEnglish translate: YearningI want to rest by a shore
Everything is quiet, clear water
Below the surface exists peace
Will you hold me Wind
If I seek down thereIn a quiet clear water
I see the yearning in my Soul
