

# Burning Feet

[Chris Rea](#)

No standing with these burning feet  
I got to kill the fire, got to kill the heat  
I see a road and a river, I gotta go  
'Cos there's fire in my shoes, and you're moving too slow  
For these burning feet. I got to move, burning feet  
Need a cool groove, burning feet  
Burning feet, win or lose  
Looking to kill the heat  
Of those burning shoes. One day they'll find me in pieces, by the side of the track  
Smoke trail behind, flames from my back  
This is what made me, Yeah how I was made  
Forever in the heat, and never in the shade  
Of these burning feet. Burning feet, I got to move  
Burning feet, need a cool groove  
Burning feet, win or lose  
Looking to kill the heat, of these burning shoes.
